## Quilt Shop & Retreat

Nestled in a picturesque little town with a stunning view of Mt. Rainier, you'll find a gorgeous quilt shop and 10-person Retreat Center.

Built to look like an 1880's saloon, our modern shop has over 3200 bolts and a huge selection of reproduction, florals, "go-withs," contemporaries and flannels. We have a wide and current range of books, patterns and notions. Our fully equipped Retreat Center is like no other...AND we have an elevator so you don't have to carry your machine and other equipment up the stairs. Sew upstairs, shop downstairs....it just doesn't get any better than that!
