GENERAL STORE

www.quiltersgeneralstore.com

Located in a farmhouse built in the 1800's, we offer a wide variety of Civil War reproduction fabrics, as well as batiks, non-reproduction & juvenile fabrics. We also have a selection of hand-dyed wools, Valdani threads, books, patterns & notions. We love KITS! And so many of our samples are 'kitted' and ready for you to put together!
